SUPPLEMENTARY INFORMATION: This ICR seeks approval for changes to the Report of Construction Contractor's Wage Rates, Form WD-10. The DOL uses Form WD-10 to elicit construction project data from contractor associations, contractors, and labor organizations. The WHD uses the wage data to determine locally prevailing wages under the Davis-Bacon and Related Acts. This ICR has been classified as a revision, because the WHD seeks approval for changes to the electronic version of Form WD-10 and corresponding instructions for completing the electronic Form WD-10. These changes will offer new functionality and user-friendly enhancements to the online version of the form. As needed, corresponding changes will be made to the print version Form WD-10. While respondents may submit the information covered by Form WD-10 in an alternative format, using the form ensures relevant information is consistently provided in a way that reduces burden for both the submitter and the WHD.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1235-0015. The current approval is scheduled to expire on March 31, 2014; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the Federal Register on December 3, 2013 (78 FR 72715).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within 30 days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1235-0015. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Enhance the quality, utility, and clarity of the information to be collected; and
